Washington, March 29.—The announcement of assignments was made at the Southern Methodist Conference in Mount Vernon Place Church this afternoon. Rev. C. D. Bulla gives up the church at Alexandria to become editor of the Baltimore Methodist, the official organ of the conference, and Rev. H. M. Carter goes to the Virginia city to take his place. Rev. O. Randolph-Macon Question.

Near the close of the meeting the question of the possibility of the Randolph-Macon College trustees taking the college into the Carnegie Foundation by making the institutions under the care of the college system non-sectarian again came up, and a memorial was ordered sent to the general conference of the church, asking that it enact such a law. It was also made known that the trustees of the college are planning to prevent an annual conference from donating any sum to such an institution when not owned by the church.

C. M. Armstrong, of Brown, Va., a trustee of the Randolph-Macon system, and Rev. RESIGNS AS JUDGE TOENTER CAMPAIGN

J. C. Buxton Indorsed for Superior Court—Plan for Rifle Range.

[Special to The Times-Dispatch.]
Fayetteville, N. C., March 29.—Governor Kitchin received to-day the resignation of E. B. Jones, Winston-Salem Superior Court judge, for the Eleventh Judicial District, including Forsyth, Wilkes, and Yadkin counties, as well as Surry and Stokes counties. The resignation is effective May 7. It is understood that the resignation is tendered in order that Judge Jones may enter more freely into a campaign for the Democratic nomination for Congress in the Fifth District, now represented by Congressman Storehouse. The Governor will take no action for the present, although it is certain that the resignation will be accepted. He has as yet no applications on file for the appointment. However, the Winston-Salem bar has indorsed J. C. Buxton for the appointment. There has not been a marked degree of political sympathy between the Governor and Mr. Buxton. It is said, and many here doubt it, that Buxton getting the appointment in the matter is left to the Governor, instead of going over to await the judicial convention and the selection of a judge by the Governor. Kitchin has expressed a preference for this course to be taken, saying that he would resign in order that Judge Jones might be appointed.

School Tax Election.

Superintendent G. D. Moore, of the Caldwell county public schools, reported to the State Department of Education the carrying of an election for the first rural special tax district for a number of other schools. It is to be carried in the near future, with sentiment for local taxation and better school facilities steadily growing.

The State Commissioners of Insurance is notified from Fayetteville that C. H. Mance, of that place, under indictment for carrying on a business as a fire insurance agent, has fled the State, so that there can be no trial at the present term of court, when it was docked to come up.

Two charters were issued to-day—the Robert E. Lee Mining Company, Asheville, \$30,000 authorized capital, \$50,000 subscribed by C. D. W. Colby and others; and the East Bend Publishing Company, Yadkin county, capital \$5,000, by the same parties.

Plan for Rifle Range.

The State Rifle Range Association, of which Colonel Alfred Williams, Colonel R. L. Leinster and Captain W. E. Moody are the trustees, has just perfected a ten-year lease of ten acres of land two and a quarter miles north-west of the city, on which will be equipped at once a 1,000-yard rifle range for target practice. It is to be graded and equipped at once, at an expense of nearly \$1,000. There will be 200, 300, 500, 600, 800 and 1,000-yard ranges, from which the firing will be in practice shoots. There are fifteen companies of the North Carolina National Guard within 100 miles of Raleigh, and it is expected that teams from those companies will come here at intervals for range practice, this in addition to the use of the range by the local company and by the A. & M. College students. The college is to keep the range in order after it is equipped, in consideration of having the use of it for the two military battalions of the college.

MEETS NEXT YEAR AT CLIFTON FORGE

Closing Day's Session of Southern Methodist Conference.

APPOINTMENTS ANNOUNCED

Ministers in Virginia Districts.

Randolph-Macon Matter Discussed.

Washington, March 29.—The announcement of assignments was made at the Southern Methodist Conference in Mount Vernon Place Church this afternoon. Rev. C. D. Bulla gives up the church at Alexandria to become editor of the Baltimore Methodist, the official organ of the conference, and Rev. H. M. Carter goes to the Virginia city to take his place. Rev. O. C. Baill, pastor at Del Ray, is placed on the superannuated list, and Rev. E. A. Lambert takes up the work there. Rev. B. W. Bond, pastor at Falls Church, Va., is made presiding elder of the Washington district, in conference, and Rev. J. H. Andrew is chosen as his successor.

The conference, it was reported during the morning, has a membership of nearly 60,000, and gave during the last session more than \$150,000 for ministerial education. It has a total of pastoral charges and 168 parsonages, valued at nearly \$125,000.

Randolph-Macon Question.

Near the close of the meeting the question of the possibility of the Randolph-Macon College trustees taking the college into the Carnegie Foundation by making the institutions under the care of the college system non-sectarian again came up, and a memorial was ordered sent to the general conference of the church, asking that it enact such a law. It was also made known that the trustees of the college are planning to prevent an annual conference from donating any sum to such an institution when not owned by the church.

C. M. Armstrong, of Brown, Va., a trustee of the Randolph-Macon system, and Rev. Dr. Collins Denny then had a lengthy discussion as to the merits of the proposed memorial, but it was ordered sent up to the conference after Mr. Armstrong had declared that there was no need for the action of the conference.

The conference decided to meet next year at Clifton Forge, Va.

RESIGNS AS JUDGE TOENTER CAMPAIGN

J. C. Buxton Indorsed for Superior Court—Plan for Rifle Range.

[Special to The Times-Dispatch.]
Fayetteville, N. C., March 29.—Governor Kitchin received to-day the resignation of E. B. Jones, Winston-Salem Superior Court judge, for the Eleventh Judicial District, including Forsyth, Wilkes, and Yadkin counties, as well as Surry and Stokes counties. The resignation is effective May 7. It is understood that the resignation is tendered in order that Judge Jones may enter more freely into a campaign for the Democratic nomination for Congress in the Fifth District, now represented by Congressman Storehouse. The Governor will take no action for the present, although it is certain that the resignation will be accepted. He has as yet no applications on file for the appointment. However, the Winston-Salem bar has indorsed J. C. Buxton for the appointment. There has not been a marked degree of political sympathy between the Governor and Mr. Buxton. It is said, and many here doubt it, that Buxton getting the appointment in the matter is left to the Governor, instead of going over to await the judicial convention and the selection of a judge by the Governor. Kitchin has expressed a preference for this course to be taken, saying that he would resign in order that Judge Jones might be appointed.

School Tax Election.

Superintendent G. D. Moore, of the Caldwell county public schools, reported to the State Department of Education the carrying of an election for the first rural special tax district for a number of other schools. It is to be carried in the near future, with sentiment for local taxation and better school facilities steadily growing.

The State Commissioners of Insurance is notified from Fayetteville that C. H. Mance, of that place, under indictment for carrying on a business as a fire insurance agent, has fled the State, so that there can be no trial at the present term of court, when it was docked to come up.

Two charters were issued to-day—the Robert E. Lee Mining Company, Asheville, \$30,000 authorized capital, \$50,000 subscribed by C. D. W. Colby and others; and the East Bend Publishing Company, Yadkin county, capital \$5,000, by the same parties.

Plan for Rifle Range.

The State Rifle Range Association, of which Colonel Alfred Williams, Colonel R. L. Leinster and Captain W. E. Moody are the trustees, has just perfected a ten-year lease of ten acres of land two and a quarter miles north-west of the city, on which will be equipped at once a 1,000-yard rifle range for target practice. It is to be graded and equipped at once, at an expense of nearly \$1,000. There will be 200, 300, 500, 600, 800 and 1,000-yard ranges, from which the firing will be in practice shoots. There are fifteen companies of the North Carolina National Guard within 100 miles of Raleigh, and it is expected that teams from those companies will come here at intervals for range practice, this in addition to the use of the range by the local company and by the A. & M. College students. The college is to keep the range in order after it is equipped, in consideration of having the use of it for the two military battalions of the college.
